### DETAILED ACTION

Applicant's arguments filed 11/26/03 have been fully considered but they are not persuasive.

I. All 35 USC 102(b) and 103(a) rejections are maintained for the reason on record and reason as follows. Applicant has amended independent claims 1,12,21 to read R-12 as being branched. However, R-12 is presently defined as a branched aliphatic chain having 1 to 8 carbon atoms. If the number of carbon atoms in the aliphatic chain is 1 or 2, the instant R-12 can not be branched.

II. 35 USC 112, 2<sup>nd</sup> paragraph rejection

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1,11,12,14-21,23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicant has amended independent claims 1,12,21 to read R-12 as being branched. However, R-12 is presently defined as a branched aliphatic chain having 1 to 8 carbon atoms. If the number of carbon atoms in the aliphatic chain is 1 or 2, the instant R-12 can not be branched.

Examiner attempted to reach Attorney to clear up this matter. However, examiner was unable to reach Attorney.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
